

***Dacha Theatre is producing the West Coast premiere of a daring new musical!***

Dante Green's *An Incomplete List of All the Things I'm Going to Miss When the World is No Longer*: in association with Theatre Off-Jackson January 27-February 11

(December 30, 2022 - SEATTLE, WA)

Dacha is thrilled to produce the West Coast premiere of *An Incomplete List of All the Things I'm Going to Miss When the World is No Longer*., a bold new musical about the approaching end-of-the-world with book, music, and lyrics by Dante Green and directed by Nansi Dwendi.

*An Incomplete List of All the Things I'm Going to Miss When the World is No Longer*: is an electro-synth musical at the end of the world. Following a global announcement of the exact time Earth, as we know it, will cease to exist, a community of young queer friends and lovers decide the only reasonable thing would be to gather together for one last rager. This musical invites you to the last party on Earth — sparkling through a kaleidoscope of cherished and tragic memories — to celebrate and mourn the delights and deceptions of the human experience.

If you enjoy electro-pop music, muse on what this all really means and how we humans relate to each other, or find yourself talking it up with Alexa/Siri/Cortana, we think you'll find this show simply to-die-for! Dante Green's original music will be brought to life in-house by a talented band of Seattle musicians, and this raucous party will fill the rafters and immerse the audience of Theatre Off Jackson's beautiful International District space. This is the West Coast premiere and first full production of *An Incomplete List...*, so you definitely won't want to miss this exciting new work as it debuts with us!

Founded in 2016, Dacha Theatre is a Seattle-based theater company that specializes in devised, immersive, and playful work. *An Incomplete List of All the Things I'm Going to Miss When the World is No Longer* marks the first full production in Dacha Theatre's 2023 season, following a workshop production of Donovan Olsen's stunning new project *Girls School Memory Play*. Upcoming later in 2023 are *Dice Keeper: Twelfth Night*, a bold new take on Dacha's most audacious original format, and *Sometimes the Rain, Sometimes the Sea*, an outdoor production by Julia Izumi (perhaps best known for writing *Miku and the Gods*).
