

**Explore Beyond this realm in Dacha's immersive theatrical event, *The Veil***

*The Veil* plays at Forestledge mansion in Burien, October 13 - November 5, 2023

(September 3, 2023 - SEATTLE, WA)

Dacha Theatre is thrilled to produce the latest in their canon of original immersive plays with *The Veil*, directed by Nathan Whitehouse, creator of past Dacha interactive smash hits like *Ghost Party* and TimeOut NY's acclaimed *:robot\_face:*.

Most of us live in the dark, toiling in this physical world as if it were the only one to exist. But there are worlds that lie beyond the mundane, and hidden there are places of power, places that we unknowingly seek our whole lives. In *The Veil*, audiences will encounter these deeper realms and the dangers that they hold.

In an old mansion of haunting beauty where the veil between worlds is weak, a group of amateur spiritualists have unleashed a power that they don't fully understand. It is up to you to help them, if they can still be helped. Audiences will explore an original, expansive world and uncover the truths that lie beyond – or succumb to its dangers and darkness. Séances, summonings, bindings, and other forms of magic will become second nature as you try to save the young occultists who are in way over their heads.

Dacha combines rich, character-driven storytelling and theatrical spectacle with elements of haunted houses, puzzle rooms, and tabletop role-playing games, to create a unique interactive experience where the audience is at the center of the story. As the show unfolds, audiences will explore the rooms and grounds of the scenic Forestledge mansion, which holds a fascinating history dating back to 1918 — including being home to Alice in Chains drummer Sean Kinney!

*The Veil* opens October 13th and runs through November 5th in Burien at Forestledge. Tickets are available on a sliding scale, with tiered pricing ranging from \$25-50. A pay-what-you-can option is available for all performances. Tickets are available online at [dachatheatre.com/theveil](http://dachatheatre.com/theveil)

Founded in 2016, Dacha Theatre is a Seattle-based theater company that specializes in devised, immersive, and playful work. *The Veil* launches Dacha's eighth season, following in a tradition of original interactive pieces including the ravenously well-received *Ghost Party* (October 2018 & 2019), *:robot\_face:* (July 2020), and *(F)unfair* (July 2022).
